

Quick Release Fiberglass Mop Handle - 60"L Fiberglass Handle / Blue

The quick release durable fiberglass handle will absorb the pressure put on the mop without bending. Quick-release mop handles are convenient allowing for quick changes/ replacements between mop heads. It clamps in place without the mess in mere seconds and allows the user to switch mops between different cleaning areas to avoid cross contamination. No more twisting screw like mop handles to loosen or tighten the mops, just pop it open and change your mop.

Key Features

- Comfortable lightweight material reduces fatigue
- Corrosion resistant & long lasting
- Save your hands by not screwing and unscrewing to change your mop head
- Heavy duty fiberglass construction for maximum strength
