Effectively dries hands

Description

Cascades PRO Select® Multifold Paper Towels blend green cleaning and environmental performance. Providing quality and affordability, they are the ideal solution for industrial, educational, foodservice and retail establishments. These hand towels Meets EPA recommended postconsumer fiber percentage and recovered fiber content levels for commercial and industrial sanitary tissue products, reflecting a commitment to environmental best practices. Made from 100% recycled material, including 50% that comes from post-consumer recycled material, this product is a sustainable option. Choose these multifold hand towels for use throughout your establishment to benefit from a sustainable, effective solution that is respectful of the environment.
