Solutions tailored to YOUR needs

OUR EXPERTISE AT YOUR SERVICE

At Carrousel, we know that every laundry room is unique. Whether you run a senior residence, spa, clinic, or gym, your needs depend on the volume and type of laundry you process. That’s why we offer a personalized approach:

- Pumps sized to match your laundry load
- Powerful, user-friendly, and cost-effective products
- Concentrated or ready-to-use formats
- 20L container return program (conditions apply)
- Customized product recommendations based on your industry and soil types

Laundry Room Type	Soil Level	Typical Products
Small	Light	Detergent, softener
Medium (basic)	Light to medium	Alkaline additive, detergent, softener-neutralizer, bleach
Medium (full)	Heavy	Alkaline additive, detergent, emulsifier, softener-neutralizer, peroxide or bleach
ADDITIONAL PRODUCTS AND ACCESSORIES		
Stain removers	Laundry bags, carts, hangers	Spill containment trays

Our complete support includes:

Installation and maintenance of pumps + replacement parts

Reliable 7-day technical service

Turnkey staff training

Detailed inspection reports

Fast and free delivery on orders of \$150 or more (before tax)
